

# Lonely People

America

**G**                    **Em**                    **Bm**  
This is for all the lonely people  
**G**                    **Em**                                    **Bm D**  
Thinking that life has passed them by  
**C**                    **D**                                    **G**  
Don't give up until you drink from the silver cup  
**C**                    **D**                                    **G**                    **D**  
And ride that highway in the sky

**G**                    **Em**                    **Bm**  
This is for all the single people  
**G**                    **Em**                                    **Bm D**  
Thinking that love has left them dry  
**C**                    **D**                                    **G**  
Don't give up until you drink from the silver cup  
**C**                    **D**                                    **G**  
You never know until you try

**C G/B Am**  
Well, I'm on my way  
**C G/B Am**  
Yes, I'm back to stay  
**C G/B Am D G D**  
Well, I'm on my way back home

**G**                    **Em**                    **Bm**  
This is for all the lonely people  
**G**                    **Em**                                    **Bm D**  
Thinking that life has passed them by  
**C**                    **D**                                    **G**  
Don't give up until you drink from the silver cup  
**C**                    **D**                                    **G**  
She'll never take you down or never give you up  
**C**                    **D**                                    **Em**  
You'll never know until you try.
