

They say home is where the heart lies
It's a place to get my mail sent
A two bedroom museum
Full of things I never get to use
A three digit adress
That I would use to impress
Lonely dark haired women
Stumblin' out of the bars downtown

All my friends think I made it
And this month I barely paid rent
Seems like I'm bustin' knuckles just to get by
They turned off the cable
And I'll pay it when I'm able
But as long as it's just you and me
There ain't much else I really need

Cus' you're the only thing that's changed my mind in 27 years
You're the only one who ever questioned what I'm doing here
You're the only thing that ever seems to brighten these dark days
You're the only thing that'll ever change my ramblin' ways

And I've seen the entire country
Sittin' in the front seat
Staring out a window
At a road that never seems to end
Yeah out here it gets lonely
And these nights it seems the only
Thing I ever think about
Is a road that leads me back to you

Cus' you're the only thing that's changed my mind in 27 years
You're the only one who ever questioned what I'm doing here
You're the only thing that ever seems to brighten these dark days
You're the only thing that'll ever change my ramblin' ways

And I'm losing my patience
Cus' every single station
Is playing songs that remind me of you
And I'll do everything I can
To make sure that I am the man
That you want coming home to you

Ohh cus' you're the only thing that's changed my mind in 27 years
You're the only one who ever questioned what I'm doing here
You're the only thing that ever seems to brighten these dark days
You're the only thing that'll ever change my ramblin' ways
