

Before I Go

American Authors

I'm so afraid of where my life's going
Guess I've been ashamed, somehow I kept going
So tell me I'm good, tell me I'm good
Tell me I'm good
Say I've done all I could, I've done all I could

I hope I find a peace of mind
In all of my woes
I hope the rain, it brings a light
To my broken soul
I hope I lose myself in the city
But find my home
I hope I live my life
Before I go

Hope I've been awake and I didn't sleep through it all
And every last drop of faith, oh I can drink it all
I'll take it all in, I'll take it all in
I'll take it all in

I hope I find a peace of mind
In all of my woes
I hope the rain, it brings a light
To my broken soul
I hope I lose myself in the city
But find my home
I hope I live my life
Before I go
And I hope I live before I go
And I hope I

And I hope I
And I hope I
I hope I

I hope I lose myself in the city, but find my home
I hope I live my life before I go
And I hope I live before I go
Well I hope I live before I go
I hope I live before I go
I hope I live before I go
