

## Something Amazing

American Authors

Keep making the same mistakes  
Over and over and over again  
Hoping one day I get it right  
Hoping one day I get it right

Wish I could change the times  
I keep going over and over the edge  
But I can't seem to change my mind  
Doesn't matter how hard I try

Oh, how can something amazing hurt so bad  
Oh, how can something amazing hurt so bad

I woke up on the floor  
Clothes soaking wet, my mouth cotton dry  
Oh I know we've been here before  
Feels different this time

You gotta suffer for what you love  
There will be tears, there will be blood  
Nothing comes easy, oh nothing comes easy

Oh, how can something amazing hurt so bad  
Oh, how can something amazing hurt so bad

You gotta suffer for what you love  
There will be tears, there will be blood  
Nothing comes easy, oh nothing comes easy

Same laugh same smile same cry  
Feels different this time  
Same town same friend same lies  
Feels different this time  
Same pill same drug same high  
Feels different this time  
Same bed same you same fight  
Feels different this time

Oh, how can something amazing hurt so bad  
Oh, how can something amazing hurt so bad
