

Where Are We Now?

American Football

Where are we now?
Both home alone in the same house
Would you even know it if I wasn't told it?
If I wasn't afraid to say what I mean

We've been here before
But I don't remember a lock on the door
Is it keeping me out or you in?

Strange how these city streets have changed faces
Like we did
Would you even know me if time hadn't stole me?
If I wasn't afraid to say what I need

We've been here before
We'll figure it out like that goddamn door
We just need a skeleton key

Leave me or don't, I don't care
Just let me know when you finally drag your body out of bed
I'll get my things
