# Loyalty

**American Head Charge**

It's just a reason to deny
All the limits that border
On the thiniest frailties
that makes a sudden change

I'll play my soul into sleep
I'll make up words that I keep
Letting nothing go to anyone at all

Where is your loyalty now
When all the cards have been left on the table?
Where is your loyalty now
When all the cards have been left on the table?

All of them
Bleed at the nerves
That take so long
To wear down

I'll play my soul into sleep
I'll make up words that I keep
Letting nothing go to anyone at all

Where is your loyalty now
When all the cards have been left on the table?
Where is your loyalty now
When all the cards have been left on the table?

This time I have made enough mistakes
For you to bear against me
Endure and break
Our original ideals
That let us down
And betrayed our trust
Like all your promises

I've seen the piece of shit alive in you
Cause I'm there enough to be a truth

This time I have made enough mistakes
For you to bear against me
Endure and break
Our original ideals
That let us down
And betrayed our trust
Like all your promises

Where is your loyalty now
When all the cards have been left on the table?
Where is your loyalty now
When all the cards have been left on the table?
