

We're Gonna Find A Way

American Hi-Fi

Every time I ask my friends
That they want from this life
They just can't pretend
If there's anything I know
It's a bittersweet symphony
That keeps surrounding me

I've been so down and dusted
I'm in too deep, I'm busted
But you come to me
You make me feel
So real

Then you say
We're gonna find a way with the rising of the sun
This life has just begun
We're gonna fly away
Say goodbye to yesterday
Now we know who we are
Feeling like a superstar
We're gonna find a way
We're gonna find a way

Every day's a little longer
When you're not beside me
I just gotta break free
You'll find that underneath it all
There's a little bit of sunshine
Coming through the landslide

I've been so down and dusted
I'm in too deep, I'm busted
But you come to me
You make me feel
So real

Then you say
We're gonna find a way with the rising of the sun
This life has just begun
We're gonna fly away
Say goodbye to yesterday
Now we know who we are
feeling like a superstar
We're gonna find a way
We're gonna find a way

Yeah

All my life
I've been waiting for this moment
I can feel it coming
One more time
Are we really gonna make it?
I don't wanna let you down
No

I've been so down and dusted

I'm in too deep, I'm busted
But you come to me
You make me feel
So real

Then you say
We're gonna find a way with the rising of the sun
This life has just begun
We're gonna fly away
say goodbye to yesterday
Now we know who we are
Feeling like a superstar
We're gonna find a way
We're gonna find a way

Yeah
We're gonna find a way
We're gonna find a way

Oh!
