My revenge against the world is to believe everything you say Balance as you are on a pile of empty bottles And even when the world has taken all your defenses away There's no way that you can be true

I'll believe you

Don't you get sick of party favors

That start with a whimper and end with a whisper

And even when every single one of your gestures is a lie

To me, you always ring true

I'll believe you

The first time the cops came they were like brand new friends
The second time they came they were a little concerned They said, "We know all about you You're like moths to a flame."
Yeah we speak too much and none of it's ever true

What happens to the rat that stops running the maze
The doctors think it's dumb when it's just disappointed
I meant it when I said that I would never see you again But no
matter how dumb I get
there's one thing I'll always do

I'll believe you
