

One Step Ahead

American Music Club

"Come aboard," she said, "though I know that water scares you

I won't let you go outside the rail, I swear I won't fail

Keeping one step ahead

I wish you'd stop shivering - it's all the torn clothes you wear

It's all the things in life you don't dare

Keeping one step ahead

All the things in your life no one could forgive," she said,

"I don't care how you choose to die

I only care if you wanna live

Keeping one step ahead"
