Amnesia

Amerie

Amnesia, every time
We fight hard, looking for
Wishin' for, makes it hard
To say goodbye

I say we run for it, run for it, run
We shouldn't had too much fun
We've been down this road before
Make us to break us before

You say you wanna do it right this time, yeah
Wanna do it right, gonna do it right
You say I wanna get it right this time, yeah
But I'm out all night, 'cause you out all night

I say we run for it, run for it, run
We shouldn't had too much fun
We've been down this road before
Break us to make us before

I say we run for it, run for it, run
We catch amnesia for fun
We've been down this road before
Make us or break us before

Good times behind times to last
Two months and forget the past
All other girls I won't mention
We know you love the attention

You say you wanna do it right this time, yeah
I wanna do it right, gonna do it right
I say I wanna work it out this time, yeah
But I'm out all night, 'cause you out all night

I say we run for it, run for it, run
We shouldn't had too much fun
We've been down this road before
Break us to make us before

I say we run for it, run for it, run
We catch amnesia for fun
We've been down this road before
Make us or break us before
