

# I Remember Us

Amerie

Wish I never brought up (yeah)  
Never should've called up (yeah)  
But we're sexy like New Orleans  
We like a bridge and runnin' water (yeah)

And maybe I'm not over you  
But maybe you not over me too  
'Cause yeah we had some bad times  
But the good outweigh the bad right

'Cause I got plenty, you got plenty  
Ain't nobody walkin' without memories yeah (yeah)  
No such thing as a perfect-perfect  
Any day I'll take imperfect - perfect yeah (yeah, yeah, yeah)

I remember us, remember us (ohh ohh)  
Do you remember? 'Cause I remember  
I remember us, remember us (ohh ohh)

Picture-perfect, your new life  
But I know the truth when I'm in you eyes yeah (yeah)  
'Cause you know you can't forget this (yeah)  
And you hate so much you miss it (yeah)  
You don't even wanna listen but you makin' me your mission

Wish I never brought up (yeah)  
Never should've called up (yeah)  
But we're sexy like New Orleans  
We like a bridge and runnin' water (yeah)

And maybe I'm not over you  
But maybe you not over me too  
'Cause yeah we had some bad times  
But the good outweigh the bad right

'Cause I got plenty, you got plenty  
Ain't nobody walkin' without memories yeah (yeah)  
No such thing as a perfect-perfect  
Any day I'll take imperfect - perfect yeah (yeah, yeah, yeah)

I remember us, remember us (ohh ohh)  
Do you remember? 'Cause I remember  
I remember us, remember us (ohh ohh)

There's a lot that we can't control (yeah)  
And sometimes it's gonna take a toll (yeah)  
But we can't forget the good times we had (yeah, yeah, yeah)  
'Cause all I ever really want to go  
Is never let go of me and you (yeah, yeah, yeah)

Wish I never brought up (yeah)  
Never should've called up (yeah)  
But we're sexy like New Orleans  
We like a bridge and runnin' water (yeah)

And maybe I'm not over you  
But maybe you not over me too

'Cause yeah we had some bad times  
But the good outweigh the bad right

'Cause I got plenty, you got plenty  
Ain't nobody walkin' without memories yeah (yeah)  
No such thing as a perfect-perfect  
Any day I'll take imperfect - perfect yeah (yeah, yeah, yeah)

I remember us, remember us (ohh ohh)  
Do you remember? 'Cause I remember  
I remember us, remember us (ohh ohh)
