Amerie

Yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah

Let me just clarify  
Pretending my heart ain't breaks  
And as soon as you and I separated  
Tonight is just my time to get it  
Gonna ride it, drive until the flames get low  
The moonlight across my, my lips taste so good at  
Flashing lights, color this burning  
My body can't hide, my hips just realized

Oh, oh, peoples of gold, flicker all over  
The building explodes, passing us closer  
We not falling uh  
Going til early morning we not falling uh  
We're not falling  
Going til early morning we not falling uh  
Uh!  
Going 'til early morning we not falling uh  
No, no

Ooh, ooh, ooh, ooh, live out loud tonight  
I'm a live out loud tonight  
Ooh, ooh, ooh, ooh, live out loud tonight  
I'm a live out loud tonight  
Ooh, ooh, ooh, ooh, live out loud tonight  
I'm a live out loud tonight, so loud)  
Ooh, ooh, ooh, ooh, live out loud tonight

Yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah  
Yeah yeah, ah yeah yeah, ah yeah yeah yeah

Let me just clarify  
Feel my whole body bouncing, shouting  
Pronouncing every word slow  
The car is my... affliction  
Gonna ride it, drive until the flames get low  
Hold back til all my rating birthed on, tonight  
With every drop I sip from this glass  
So what's up with that rave  
Feeling, see how long we last

Oh, oh, peoples of gold, flicker all over  
The building explodes, passing us closer  
We not falling uh  
Going til early morning we not falling uh  
We're not falling  
Going til early morning we not falling uh  
Uh!  
Going 'til early morning we not falling uh  
No, no

Ooh, ooh, ooh, ooh, live out loud tonight  
I'm a live out loud tonight  
Ooh, ooh, ooh, ooh, live out loud tonight
