

## Sing About It

Amerie

It's time that I let you know  
I let you know how I feel  
That I'm not gonna let you go  
Baby, it don't matter as long as we're together.  
Don't act like you don't know the deal. Yeah...

Everything that you are, you just give me your all.  
You make me better, babe. You got me believing, babe.  
All of the things that you do, I can't see nothing but you.  
You got me believing, babe, that this must be written, babe.

Won't let no one come between the love that you and me got.  
We got it all, (Yeah, we got it), yeah, we got it all.  
We got it all, (We got it) yeah, we got it all,  
(We got it), yeah, we got it all.  
We got it all. (Yeah, we got it, yeah, we got it)  
We got it, and what we got is so good, I gotta sing about it.

And, baby, you know I ain't wrong  
'Cause, baby, you know I'm for real  
That I just can't let you go  
Baby, I can go on for days, but I couldn't go on for years  
If you weren't with me right here.

Everything that you are, you just give me your all.  
'Cause you make me better, babe. You got me believing, babe.  
All of the things that you do, I can't see nothing but you.  
You got me thinkin', babe, that this must be written, babe.

Won't let no one come between the love that you and me got.  
We got it all, (Yeah, we got it), yeah, we got it all.  
We got it all, (We got it) yeah, we got it all,  
(We got it), yeah, we got it all.  
We got it all. (Yeah, we got it, yeah, we got it)  
We got it, and what we got is so good, I gotta sing about it.

Yeah, this love is so good, this love is so good, I gotta sing  
about it. Ooo... lalala...  
I love to love you. Ooo.. let's make this forever.

(We got it), yeah, we got it all.  
We got it all. (Yeah, we got it, yeah, we got it)  
We got it, and what we got is so good, I gotta sing about it.
