

Be Your Girl

Amiel

I'd like to hang around and have a good time
But I don't want to be your girl
I'd like to sit around, talk of the times
But I don't want to be your girl
I'd like to hold on to you, whisper those lines
But I don't want to be your girl
I'd like to melt into you, share of my mind
But I don't want to be your girl

No, I don't want to be your girl
No, I don't want to be your girl

I'd like to hang around and have a good time
But I don't want to be the one
I'd like to sit around, talk of the times
But I don't want to be the one
I'd like to melt into you, worship the stars
But I don't want to be the one
I'd like to sing to you, sing you to sleep
But I don't want to be the one

No, I don't want to be the one
I'm on my way
I'm not gonna fall like a fool today
Now, I'm on my way
No, I'm not gonna fall like a fool today
Like a fool today

What would you say if I said I was trouble
What would you say if I said I'm only gonna walk away
Now I don't want to cause you hurt and trouble
But I'm flying free so I'll be on my way

Cause I'm on my way
I'm not gonna fall like a fool today
Ohh, I'm on my way
No, I'm not gonna fall like a fool today
Like a fool today
I'll be on my way
Like a fool today
I'm on my way, on my way, on my way
