

## Stronger Than Dead

Amigo The Devil

I want the glory  
I just don't want the work  
I want the scars and story  
I don't want it to hurt  
I don't have excuses  
I just don't have the time  
I know I'm not wrong  
I just ain't right in someone else's mind

And I will carry this weight 'til I die  
This body's a bag that collects by the hour as it passes by  
So I'll try no matter how hard it might get  
As long as I wake up, I'm already stronger than dead

And I dream of the beauty to be free from the doubt  
Everyone's trying to find what they can't live without  
The science of losing and the pressure it brings  
But I'm learning that sometimes time doesn't heal a thing

And I will carry this weight 'til I die  
This body's a bag that collects every hour as it passes by  
And I'll always try no matter how hard these things might get  
As long as I wake up, I'm already stronger than dead  
I'm already stronger than dead
