

# It's Fantasy

Amii Stewart

Please come back to me  
Oh fantasy  
I'm so in love with you  
I hear music  
Mystic melodies  
For you and me  
All that we can be  
Together

Te so fa tua  
Oh fantasy  
Now we are one  
Dream to carry on  
Lying here  
Still  
Beside me

Fly on a breeze  
Silently  
While all the world's asleep  
Making love  
In a house of Venus

Please, come back to me  
Oh fantasy  
I am so in love with you  
I hear music  
Mystic melodies  
For you and me  
All that we can be  
Together

When we're alone like this  
A tender kiss  
Fills my heart  
With happiness  
The way it ought to be  
In fantasy  
Loving you forever  
Ever...

I want you to be  
The fantasy

Touched by the light  
In the darkness of the night  
There's a power that'll burn  
Within me  
You gotta take care  
Be aware  
We were at the point of no return  
You got scared  
And we fell down from heaven  
Heaven

Please, come back to me  
Oh fantasy...
