

Light My Fire

Amii Stewart

You knew that it would be untrue
You knew that I would be a liar
If I was to say to you
Baby, we couldn't get much higher
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire, ahhh!

The time for hesitation's through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire

You knew that it would be untrue
You knew that I would be a liar
If I was to say to you
Baby, we couldn't get much higher
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire

The time for hesitation's through
there's no time to wallow in the mire
Try now cause we can only lose
And our love become a funeral pyre
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire, ahhh!
