

# Time Is Tight

Amii Stewart

Down the open highway  
Time just fades away  
Colours paint the sky  
As all friends fade to gray  
No one sees the hours  
They just count the years  
When the thunder fills the sky  
There'll be no tears

Time is tight  
Mine tonight  
Play the cards  
Time is tight  
Mine tonight  
Shoot the stars  
Ooh, dance when the music's right  
Ooh, don't ever say goodnight
