

## Over And Again

Amiina

We cross the sea over and again  
Traveling with sun and seagulls  
All day around, around in our boat

Feeling fine, living to the lights  
Waiting for the unexpected  
There we're fine, ah-ah-ah  
There we will play, ah-ah-ah  
In our different purifies  
Forever after...

How can we know, trying, trying down  
Making life go back to normal.
