

# All Grown Up

Amina Buddafly

Used to be one you could disrespect  
No consequence no fight just live and take the lies  
Sit tight and wait on something that I'd never get  
And when I was betrayed I'd look at myself and say

Maybe I can do better maybe he'll stay if I stop  
Complaining 'bout everything he does it's wrong but hey so what  
Wanted to make him stay so bad I'd take the pain  
But look at me now I've changed and I'm living life my way

Here I go, saying no  
Here I am, taking a stand  
Weak to tough, naive to catchin' bluff I be  
Doin' what, I thought I can't  
Guess I'm all grown up

I used to settle for little I got  
I'd be waiting for a call but never getting one at all  
I'd give a pass for getting stood up a lot  
Thinking I'm better than this but yet I'd grant his every wish

Said if I treat him better maybe he'll see my worth  
If I keep being that ride or die and just keep taking the hurt  
Wanted to just stand by, thru all the tears I cried  
But I woke up realized it's time for me to live my life

So here I go, saying no  
Here I am, taking a stand  
Weak to tough, naive to catchin' bluff I be  
Doin' what, I thought I can't  
Guess I'm all grown up

All grown up, all grown up  
Guess I'm all grown up  
All grown up, all grown up

And all I'm sayin' is meet the new me,  
Cause it ain't who I used to be  
Thru the trials like a wonder  
I came out just so much stronger  
Not to brag but look in my eyes  
All the shit I used to let slide  
I don't care what I allowed then  
Try me now and see what happens

Here I go, saying no  
Here I am, taking a stand  
Weak to tough, naive to catchin' bluff I be  
Doin' what, I thought I can't  
Guess I'm all grown up

All grown up, all grown up  
I guess I'm all grown up  
All grown up, all grown up

I guess I'm all grown up  
All grown up
