

What It Ain't Gon Be

Amina Buddafly

The story is that he's calling calling now
After I done kicked his ass out the house
I know he thinking's I'll take him back but I won't settle
I rather be alone

I deserve a real man a last name
Surprise trips abroad on private planes
This ain't it, boy we don't click, I can do better
Find someone worthy of this throne

Outdoor dinners by the ocean breeze
Late nights making love to me
Music, laughter, booz and weed
All of that is cool with me
But I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be

Me sacrificing me for love
U run-in when things get rough
Don't want a nigga that's actin' tuff
Come crying when I've had enough
So I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be

Cuz at the end of the day we all know the truth
Perfect is a myth and love that's new
Is never the same the years in the game
Have thought us that pain comes and goes

But a girl can dream hope u don't mind
So treat me like a queen 'til the end of time
And yes I'm aware it takes two we in this together
But I just gotta let u know

Outdoor dinners by the ocean breeze
Late nights making love to me
Music, laughter, booz and weed
All of that is cool with me
But I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be

Me sacrificing me for love
U run-in when things get rough
Don't want a nigga that's actin' tuff
Come crying when I've had enough
So I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be

So baby come get yours and I'll get mine

It's do or don't there ain't no try
Give me what I deserve or nothing at all
Take a sec and think about
What this could be if you'd be down
You and me as a team

Outdoor dinners by the ocean breeze
Late nights making love to me
Music, laughter, booz and weed
All of that is cool with me
But I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be

Me sacrificing me for love
U run-in when things get rough
Don't want a nigga that's actin' tuff
Come crying when I've had enough
So I tell u what it ain't gon' be
Boy I tell u what it ain't gon' be
Tell u what it ain't gon' be
Boy lemme tell u what it ain't gon' be
