

Yellow

Amina Buddafly

He got so confused I don't know
Cause when I heard them blues I took it lightly
But now everything has changed he's stuck in my brain
But I have forgotten the thought of me having his last name

Everywhere I used to go my world was yellow, yellow
Like the sun, bright and strong but now it's not the same (Not
the same)
Everything I thought was easy it ain't that simple, simple anym
ore-ore-ore
So gimme back my yellow (Yellow)

I can't believe that him is gone for good (I just can't believe
it)
But neither I [?] (Taking it back)
He left too much dirt on me and though I brushed it off (I brus
hed it off)
Still is so hard for me to let go of our love

For everything he did, the things he said (Said)
All the positive thoughts in my head (My head)
But I just can't be stupid once again (Again)
I keep on moving

Everywhere I used to go my world was yellow, yellow
Like the sun, bright and strong but now it's not the same (Not
the same no more)
Everything I thought was easy it ain't that simple, simple anym
ore-ore-ore
So gimme back my yellow (Gimme back my yellow)

And boy, I don't know what to do
Cause you left me in the blue
Look at me upset I don't want that
I'm seeing black, white, gray, purple, green and red
I want yell-ow-ow, yell-ow-ow, yell-ow-ow, yell-ow-ow
Yell-ow-ow, yell-ow-ow, yell-ow-ow, yell-ow-ow (Ow-ow)

Everywhere I used to go my world was yellow, yellow (I used to
go)
Like the sun, bright and strong but now it's not the same
(Bright and strong, no it's not the, no it's not the same)
Everything I thought was easy it ain't that simple, simple anym
ore-ore-ore
(And everything I thought it ain't simple anymore)
So gimme back my yellow (Gimme back, gimme back my yellow-ow)
I want you back, yeah
Gimme more, gimme sugar and sugar, and sugar...
