

## Beach Boy

Aminé

I don't wanna plan (woo), I just wanna dance (yeah)  
Fuck a fortune teller, they can't tell me who I am  
I'm a yellow mellow fellow and my cousin is the sun  
I'm Aminé to my niggas and Animé to a punk (hey)  
When I give her Jimmy then my baby give me Neutron  
Verses I be shoppin', you can bet I got them deals (shit)  
I could die tomorrow, so my future got some pressure  
Pay tuition for my sis and cop my mom a Tesla

Old me is stuck in the new one  
Red pill 'cause don't take the blue one  
Wonderland doesn't seem too bad  
I think I'm gonna wallow in tomorrow like yeah

Who knows what the future holds?  
I don't, if the truth be told  
They say play it safe, young soul  
Fuck that, I'ma take control  
I was dead until I sought out (yeah)  
Took my time (woo) and then I found out (true)  
Got some tears, they made me ball out (woo)  
Took my fears, and threw 'em all out (all out)

Patient, I don't ever chase it  
If I need some time I'ma stretch it like it's latex  
Jesus take the wheel, I need David Copperfield  
Parallel to parasails, I'm Aminé McFly  
Better ask Moana (woo), flexin' like I'm Maui (true)  
I don't care what people think, I'm perfect in my psyche  
Sike! Bitch, I'm not, I'm just insecure as most  
Life could change in a blink, don't know what the future holds

Old me is stuck in the new one  
Red pill 'cause don't take the blue one  
Wonderland doesn't seem too bad  
I think I'm gonna wallow in tomorrow like yeah

Who knows what the future holds?  
I don't, if the truth be told  
They say play it safe, young soul  
Fuck that, I'ma take control  
I was dead until I sought out (yeah)  
Took my time (woo) and then I found out (true)  
Got some tears, they made me ball out (woo)  
Took my fears, and threw 'em all out (all out)

All out, I'm goin' all out  
If you try to stop me you can bet I'm goin' all out  
Runnin' up the numbers 'cause I can and I want to  
This your favorite song, you gon' sing it 'til it's past due  
All out, I'm goin' all out  
This your favorite song, you gon' sing it 'til I ball out  
Bitch I'm in the clouds....  
Runnin' in a trance, got you runnin'....

I don't know when I'm gonna die  
My watch can't tell the time

Hopefully there's some hope in me  
I won't trip if it's meant to be  
I don't know when I'm gonna die  
My watch can't tell the time  
Hopefully there's some hope in me  
I won't trip if it's meant to be  
Ahhhh, ahhhh  
Ahhhh, ahhhh  
Ahhhh, ahhhh  
Ahhhh, ahhhh  
Ahhhh  
I don't know when I'm gonna die  
Hopefully there's... hope in me  
I don't know when I'm gonna die  
Hopefully there's... hope in me
