Baby girl wan' have dinner at seven  
But I'm headed to terminal seven  
Heartbreak, that's 707  
But how long can I fly on the regular?  
Say you wanna have dinner at seven  
But I'm headed to terminal seven  
Probably wanted somebody to check in  
Not perfect, but I'm willing

Just as long as your love don't change  
Just as long as your love don't change, uh  
(Just as long as)  
Just as long as your love don't change  
Just as long as your love don't change, uh  
Just as long as your love don't change  
Just as long as your love don't change, mm

Choosey with the way your late time get spent  
How can I respond when it's just one text?  
When I'm not around and I wonder who's next  
Every conversation's always feeling like a test  
And I dropped out of school way too long ago  
And I don't mean to be rude, but I gotta go  
Started on my lonely  
Please don't ever think about him and switch up on me

I was steady on my—  
Let's take the gloves off  
Save us both some—  
Right now, now

Let's take the gloves off now  
Let's save 'em both some time  
And we can quit it right now

And you are steady on my mind, my mind  
Let's take the gloves off now  
Let's save us both some time  
And we can quit it like right now  
But you are what's steady on my (Mind)

I was steady on my-  
Let's take the gloves off  
Save us both some-  
Right now, now

On my mind, on my mind, mind
