Aminé

I have to do something for this family, I created, you know? (Y
eah)

I try my best, I tried my best possible
Uh, effort, like there is nothing I can change

I'm doing the best I can
I'm doing the best I can
I'm doing the best, I
I'm doing the best I can
I'm doing the best I can
I'm doing the best, I (Can, yeah)

I'm trippin' on something strong
I'm slippin' on something strong
Got me fucked up, nah-nah-nah-nah-nah-nah
I'm tryna keep my head up strong
Bein' there for folks never been wrong to me
But it's wrong for me to please and please the one that who gon'
' be there for me
The kid is still around, I don't wanna be the man of the house
I'm the oldest sibling, but my issues hand me doubts
Can't walk 'round with my chin down, pick my head up and look a
round
I'm emotionally up and down, I'm emotionally up and down (Woah)
And this high ain't comin' down (Down)
How can you blame me when I wake up to the loud? (Loud)
Feel better when I'm number, so my dealer live at the house
I'm emotionally up and down, I'm emotionally up and down

I'm doing the best I can
I'm doing the best I can
I'm doing the best, I
I'm doing the best I can
I'm doing the best I can
I'm doing the best, I
