

# Feels So Good

Aminé

You guys didn't do psychedelics?

What is that?

Feels so good  
I feel so good, yeah  
Feels so good  
I feel so good, yeah  
Feels so good  
I feel so good, yeah  
Yeah, yeah, yeah  
Okay

One point, two point, three points, four (True)  
Sweatin' out your body, that's a hottie on the floor  
The way this shit hit got you askin' me for more  
You got drank on your lips and regret on your nose  
The molly got me movin' like Omarion in "Touch"  
Yacht town resident, pill poppin' is a must  
Tom Ford shades with whatever in my cup  
Feel like I've been high for like thirteen months  
Yeah, diction is pricey  
I like my drugs like a pro club white tee  
Fresh out the pack, will I stop? Unlikely  
I taste test tabs, runnin' like Kiera Knightly

Yeah, all she want is tease me at [?]  
Dilated pupils, that shit bigger than my ego  
Travel with my drugs, nigga, fuck the Federico  
I like being lit, I don't think I wanna quit

'Cause the drank feel good, my bitch feel good  
Don't know what we on, but it feels so good  
She look me in my eyes, said, "It feels so good." Yeah  
We fuckin' 'til the morning 'cause it feels so good

Okay, she want the Magnums  
We hittin' peak after peak, yeah, the maximum (True)  
I'm Austin Powers to these bitches, yeah, I'm shaggin' 'em  
I roll a spliff, give 'em dick and then I'm passin' 'em (Huh?)  
Okay, her ass move quicker than the time (Huh?)  
Yes, I am possessive, so I'm finna make her mine (Huh?)  
Bad bitches leave the bitch niggas inside (True)  
She a real case spreader, got me faded out my mind

Look, it's trial and error, I didn't say I'd get better  
If it feels so good, why the fuck would I let up?  
Look, I can't kick the cup, the blunt, the hoes, the sluts  
The way she fuck, the head a must, her tits, her butt  
The only thing I'm stayin' in is her and in the cut  
DJs need to get out your USBs  
It's young Aminé, baby, from the 503

Okay, the drank feel good, my bitch feel good  
Don't know what we on, but it feels so good  
She look me in my eyes, said, "It feels so good." Yeah  
We fuckin' 'til the morning 'cause it feels so good

Feels so good  
I feel so good, yeah  
Feels so good  
I feel so good, yeah  
Feels so good  
I feel so good, yeah  
Feels so good  
I feel so good

The pills and the weed. You don't need to be so high like that, you know?  
You gonna go in the [?] over the bridge, you know?
