

Mr Nobody

Aminé

Mr. Nobody
Nobody knows who
Mr. Nobody
Nobody needs you
Cus when you at the bottom
Ya feelin' real blue
And when you at the top they just all want you cus
When you in the gutta
And when you in the slums
They just tell ya mr. Loser you already done
And when you at the top and you already one
They just tell ya man I knew that you would be the one

I stop
And think for a sec
I really hustle hard but I feel like empty car
Oh
Nobody!
And lord yes sir I'm sorry
I do respect ya plan but could ya help me understand
Me no Mr. Willy Wonka
Just give it to me proper
Don't suga code it let me know it
If ya think I'm losa
Cus
Like mi familia it's really all love
And sometimes I need a laugh when I'm really in the dumps

You might think...
I'm no onnnneee
But to me...
I'm someone
I Know
Who I am
And who I be
Can't beleive in themselves so they say this to me

Mr. Nobody
Nobody knows who
Mr. Nobody
Nobody needs you
Cus when you at the bottom
Ya feelin' real blue
And when you at the top they just all want you cus
When you in the gutta
And when you in the slums
They just tell ya mr. Loser you already done
And when you at the top and you already one
They just tell ya man I knew that you would be the one

Stop for a moment
And realize who you are
Anything is possible
And you could be a star
No matter what they say
No matter who they are
Use a living breathing being and can be anything you want

You put in work
All day
I swear it pays off
Always
So Now ya success can be back stress
Old friends callin' up like
Wassup
Ya know It's Funny how it always goes
People that did the least always want all the most
HolUp
My old girl said I was a no One
Now that's my ex girl for a reason

You might think...
I'm no onnnnneee
But to me...
I'm someone
I Know
Who I am
And who I be
Can't beleive in themselves so they say this to me

Mr. Nobody
Nobody knows who
Mr. Nobody
Nobody needs you
Cus when you at the bottom
Ya feelin' real blue
And when you at the top they just all want you cus
When you in the gutta
And when you in the slums
They just tell ya mr. Loser you already done
And when you at the top and you already one
