

I'm from the west
She from the east
Columbiana
Said she like my beats
Said she from the heights
She tell me what she like
I tell her what I want
She said me up tonight
She tired of her man
Does he please her
No way
She said be here in 10
So I'm on my way

I'm on my way
I'm on my way
I'm on my way
From the mornin' to the evenin'
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way
Anytime you sees it
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way

My poetry
Too potent for pussies to be
I roll it deep
We livin we livin you see
She hit me up
She tell me she need it
She need it
I tell her okay
Give me a minute
Whether a bus or a bike
A scooter or hike
I travel like a mile for the pussy
I run inside of your crib
Take you down like we in spaceship
My wordplay play
But my words okay
A young mothafucka who don't play no games
I'm a talk like I am the shit
But really I don't think these niggas understand
Shawty I know you need me
Oh I said shawty I know you need me
I know your man don't treat you right
So just call me if you need me so

I'm on my way
I'm on my way
I'm on my way
From the mornin' to the evenin'
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way

Anytime you sees it
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way

Late night texts like shawty what's up
She said I'm gettin' lonely
And I need someone to hold me so

I'm on my way
I'm on my way
I'm on my way
From the mornin' to the evenin'
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way
Anytime you sees it
Girl I know you need it
Girl I know you're fiendin'
So I'm on my way

She fiendin'
She want it
She need it
She horny
She fiendin'
She want it
She need it
She horny
