Holy mothafuckin' shit  
Dat gyal got all dem hips like  
Holy mothafuckin' shit  
Dat gyal talk to me like like  
Aye bae bae bae  
Aye Né Né Né  
Can ya come over can ya lay  
Lay it lay it down  
Aye bae bae bae  
Aye Né Né Né  
Can ya come over can ya lay  
Lay it lay it down

Not lookin' for relationship  
Just lookin' for a summer chick  
The one that neva' stress me out  
The one that I just kick it with  
It's funny when They'd rather have  
A trapper then a pastor  
A raptor then a mothafuckin' nigga with a masters  
These hoes man  
Why they all so basic  
Get a couple likes  
Now she thinkin that she famous  
Six feet deep  
For them six inch heels  
But she bad as hell  
So who da' fuck cares?  
Cameron Diazes, Megan good-asses  
Puerto Rican, Caribbean  
I love all the masses  
ATLien  
I'm such an outkast  
Probably have to get chain and a durag  
For her attention  
And did I mention  
I took her on a date in my mommas van  
She looked at me and told me  
I can only fuck with benzes  
Haha  
With benzes  
(Hell naw)
