

# Raspberry Kisses

Aminé

Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in (Take me in)  
Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in

Workin' all week, you deserve this dick (True)  
Raspberry lips on my uh, you never miss (True)  
Wanna let me in, but you got morals and shit  
Feel like we New New and Rashad, girl, who song is this? (Damn)  
Present for that pussy, this my campaign (Salute)  
Pull up on you whenever in my Range (Route)  
Fix your makeup in the mirror and put on the [?] (Huh)  
Now put that pretty pedicure up on the wood grain (Woo)  
Yeah, drop that ass, now sit up on it (Sit up on it)  
The dick too gushy, do the eagle on it (Eagle on it)  
The waist sittin', you could sit a kit up on it (Kit up on it)  
You got some photos on that phone, put a CC on it (CC on it)  
Yeah, I'm from the Wood, I'm a hood baby (Yeah)  
I don't make it work, I make it good, baby (Yeah)  
Crankin' this like I'm '03 Jim Carrey (Yeah)  
But I'd never do my baby, like I'm Tom Brady (Yes, sir), yeah

Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in (Take me in)  
Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in

And I wanna love you forever and ever, and ever  
And I wanna fuck you whenever, wherever, together  
I-I trust you, you're better and clever, however (True, true, true)  
I-I want you forever and ever, and ever  
Thank my blunt (Uh-huh)  
Baby, please don't waste time (What else?)  
Fly you out (Uh-huh)  
Need to see you right now (Right now)  
Thank my blunt (Uh)  
Baby, please don't waste time (Time)  
Fly you out (Out)  
Need to see you right now (Right now)

Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in (Take me in, yeah)  
Raspberry kisses in my car, now we're more  
Than friends, I would wish you would take me in, take me in

The right woman is God given  
And you know it, it clicks and  
It's not because, "I love you, I love you"  
No, that's not what it is  
It is, you see it in both physical, mental, everything  
You know? That's when it's yours, God given
