

REDMERCEDES

Aminé

With my niggas in my red Mercedes
Attitude like fuck you, pay me
Rolling deeper than Adele when we go out
If the ladies show up, then we show out
With my girl in my red Mercedes
Attitude like fuck me, baby
Leather seats so she wetter than a pool now
When that thing go up then she go down

This shit so clean, I put that on my life
Red Mercedes beam, it's a different type
This shit so clean, I put that on my life
Red Mercedes beam, it's a different type

Got a new beam, new whip
Doors sit up like a facelift
Sub in my trunk go apeshit
Rims spinning round like a spaceship
I see money, I'ma chase it
Ask them suckers why they always hating
Maybe cause your man wanna taste it
You know you like to see me when I'm naked
Junk in my trunk, gon' beat
Look back at it, I'm thick, thick
Big old hips, I'm thick, thick
You can hold me Rick James, I'm Rick, bitch
Vroom, vroom, vroom in my two door
Big body dancing like a sumo
Yeah, I got the meds and it's paid for
What you chat 'bout, boy? You don't know

With my niggas in my red Mercedes
Attitude like fuck you, pay me
Rolling deeper than Adele when we go out
If the ladies show up, then we show out
With my girl in my red Mercedes
Attitude like fuck me, baby
Leather seat so she wetter than a pool now
When that thing go up then she go down

This shit so clean, I put that on my life
Red Mercedes beam, it's a different type
This shit so clean, I put that on my life
Red Mercedes beam, it's a different type

Hundred on your wrist so you wanna get loud now
Everything ain't what you see, something like Bow Wow
Copped the red Benz and we left the Honda
These days, everything I do bananas
4matic in my whip while she on my stick shift
Girls really, really love the way the candy paint drips
CLBN, they like CNN
We the news, nigga, we don't give a fuck 'bout them
Missy like my auntie, dreads like palm tree
Girls give me shots when I play them Ashanti
Hit my nigga AJ when I'm in the UK
Red Mercedes waiting up in terminal five

This shit so clean, I put that on my life
Red Mercedes beam, it's a different type
This shit so clean, I put that on my life
Red Mercedes beam, it's a different type

Fly, that's the Cee-Lo, used to grab the reload
I don't wear Valentino, Off-White with the Vlane
Humble and I'm British, I ain't polite though
AMG hotbox, high as a kite, bro
Rockstar life, might grab on your wife, yo
I do the stage proper, then I'm kicking the mic pole
If the venue popping with the women, I might roll
I smashed and deleted, then I moved to the right, bro
Hit it, skate, we don't date
Merc, Cris, three-O, late
See my darg? He don't play
Smooth criminal, I pull the move and get away
Grey Merc, I'm turnt
Work hard, smoke purp
Niggas hating cause I really chopped their brains off
It's like this girl was Lincoln cuh she tryna take my chains off

This shit so clean, I put that on my life
Red Mercedes beam, it's a different type
This shit so clean, I put that on my life
Red Mercedes beam, it's a different type
