

After I nut, it's like a truck hit me  
Depression kicks in, it's like a drug to me  
And there are, unfortunately  
And there are, are

Not built for this shit, shit  
Can't cry and fuss, the world don't care what you wish  
Don't trip, you ain't the only one  
That's my problem when I'm faded (Faded), woah  
I second-guess myself, I'm jaded  
The weight of the world might not be meant for my knees  
Doubtin' myself, feel like a constant disease  
But that don't matter like family titles, that's my cousin and  
niece  
My heart feels everything, these days, it beats through my teet  
h

After I nut, it's like a truck hit me  
Depression kicks in, it's like a drug to me  
And there are, unfortunately  
And there are, are

Blunt after blunt, cup after cup (I know I'm wrong)  
Temporary joy  
Do I mean to self-destroy?  
Don't wanna live that 'lone  
Stickin' to my old habits, hit the shit when she pass it  
Problems I do be havin', government out here taxin'

Self-sabotage the best distraction  
It's easy to blame when shit don't happen  
Your way, your way, don't owe you nothin'  
Came mope around, I gotta make shit happen

After I nut, it's like a truck hit me  
Depression kicks in, it's like a drug to me  
And there are, unfortunately  
And there are, are

So many things I give to you  
But I lift you up, but I lift you up  
All the love I give to you  
But I lift you up  
What did you give up for—?
