No lane the same, best believe we gon' buck  
Niggas talkin' shit and then they turn into a monk  
Pussy, pussy, pussy, please shut the fuck up

Y'all niggas need some action  
So far from fashion  
Burnin' fits to the ashes

Only nigga that done did some justice to the Bastard

And a new balance  
Mr. Delta status  
TSA Pre palace  
Face be in snatches  
And that ass be from Dallas  
Tipsy, yeah I'm drunk so I threw away the chucks

I'm lean, lean, leanin' in the whip  
True, too smooth, I could never slip  
I'm lean, lean, leanin' in the whip  
I don't care, nigga get a grip

Stupid motherfucker, I don't really give a fuck  
No lane the same, best believe we gon' buck  
Niggas talkin' shit and then they turn into a monk  
Pussy, pussy, pussy, please shut the fuck up

Stupid motherfucker, I been cute since a kid  
Type of face your mama wanna stick on the fridge  
If she ain't flexible then I gotta split  
Balanced motherfucker, I could never really trip

Hatin' on a nigga like they name was Rachel Nichols  
I hear it in your tone, you jealous just a little  
I just want some top and maybe somethin' non-committal

Fifteen for the sneakers  
I'm a drip seeker  
Her nigga couldn't reach her  
So she want my tongue between her  
These niggas disbelievers  
Hatin' but they wanna be us  
"Aminé ain't shit"  
But they bump this in they speakers

Stupid motherfucker, I don't really give a fuck  
No lane the same, best believe we gon' buck  
Niggas talkin' shit and then they turn into a monk  
Pussy, pussy, pussy, please shut the fuck up

Stupid motherfucker, I don't really give a fuck  
Shorty want a Birkin, but she barkin' for a truck

Niggas talkin' shit and then they turn into a monk
