It's Westside, bitch, nigga, shut up (Shh)
We hot but we cold, motherfuckers (Brrr)
Left my commitment in the rubber (sheesh)
My ex on the phone so I hung up

Been making shorty cum from the come up
Kaytra and Aminé, we the summer
Gettin' sex in the city like I'm Sarah
And my twin in this bitch like Tamara (Excellent)

It's Westside, bitch, nigga, shut up (Shh)
We hot but we cold motherfuckers (Brrr)
Left my commitment in the rubber (Sheesh)
