

BLONDe

Amir Obè

I just walked a couple miles barefoot, I wish I had Nikes
With a box of chocolate and a bouquet full of poison Ivy
Pink and White roses died along the way
Why can't you Be Yourself, and ask how was my day?

Solo
So solo
Better off solo
Took a pic of the Skyline
To show you in city

I practice Self Control, but look at them titties
You a bad bitch, I'm a Good Guy
Wanna spend the Night
For a good time?
No?
I'm better off Solo

Now I'll never hit her
I think it's Pretty Sweet that you bitter
I still check your twitter and your Facebook
Stories, cuz I'm missin how ya face look

I just wanna be Close To You
White Ferrari testarossa mood
I'm movin like Siegfried, in my six speed
Wish me God Speed
In the Future...

Now I'll never hit her
I think it's Pretty Sweet that you bitter
I still check your twitter and your Facebook
Stories, cuz I'm missin how ya face look

I just wanna be Close To You
White Ferrari testarossa mood
I'm movin like Siegfried, in my six speed
Wish me God Speed

I just wanna be Close To You...

Now I'll never hit her
I think it's Pretty Sweet that you bitter
Now I'll never hit her
I think it's Pretty Sweet that you bitter
Now I'll never hit her
I think it's Pretty Sweet that you bitter...
