

IT WAS OVER

Amir Obè

Don't get your makeup on my Prada
I'm too proud to say I lost you
I'm proud to say I lost you
I can't buy your love, but I'm ready to spend
I can't upgrade you, you already a ten
Forgive me if I'm ever caught up
All them hoes that you brought up

Enemies got a lot of them
And I don't want you with them
Am I ever gon' love you again?
Am I ever gon' love you again?
Am I ever gon' love you again?

Yea
Ten to twelve, I was sober
Texting you that I'm home
Twelve to two, it was over
Saying I'm on my own
Two to four, I pretended I was sleeping alone
Now it's morning, love is mourning my baby
Yeah, I'd do it again, my baby
Yeah, I'd do it again, my baby
Hey, I'd do it again, my baby
Yeah, yeah, I'd do it again

Is she ever gon' trust me again?
And I made you sick, you disgusted again
Telling my problems, discuss with your friends
Back to the streets, posted up in the ends
I don't know why I'm no good for you girl
Can't give you my heart, but I'll give you the world
Forgive me if I'm ever caught up
All them habits, I can stop them

Enemies got a lot of them
And I don't want you with them
Am I ever gon' love you again?
Am I ever gon' love you again?
Am I ever gon' love you again?
Am I ever gon' love you again?

Yea
Ten to twelve, I was sober
Texting you that I'm home
Twelve to two, it was over
Saying I'm on my own
Two to four, I pretended I was sleeping alone
Now it's morning, love is mourning my baby
Yeah, I'd do it again, my baby
Yeah, I'd do it again, my baby
Hey, I'd do it again my baby

I'd do it again
I'd do it again, my baby
Yeah, I'd do it again, my baby
Hey, I'd do it again my baby

I'd do it again
I'd do it again, my baby
