

Reset

Amir Obè

Eight missed calls, seventeen texts
Five in the morning, you ain't sleep yet
Take a deep breath, need to reset
Eight missed calls, Seventeen texts
Five in the morning, you ain't sleep yet
Take a deep breath, need to reset

Wait to bed for me
We've been up and down
Ask my whereabouts
I'm at up and down
Don't you hang up
Don't you drain me
Don't you change me
I'm the same me
You should thank me
You should thank me
You ungrateful
Don't you hate me
I don't hate you
I just thank you
You know, you just know
There it go
All white vibes with the hate blow
Lost my mind if you say so
I'll be right there if you wait though

Eight missed calls, seventeen texts
Five in the morning, you ain't sleep yet
Take a deep breath, need to reset
Eight missed calls, seventeen texts
Five in the morning, you ain't sleep yet
Take a deep breath, need to reset
