Amir Obè

Scrollin' through the phone, keepin' tabs on you  
Kill 'em with success, make a bag for you  
Losin' all the feelings that I had for you  
Losin' all the feelings that I had for you  
Whole crowd calling 'bout the break up  
They don't even know you but they hate you  
I done made 25 songs 'bout your ways  
Have me shittin' on you, you done turn it to the way  
Then again it's backwards, waitin' for the break  
That'll be the pointy point now we in Mercedes  
That'll be the joint, I'ma take to the face  
And I don't smoke in public but I'm fuckin' up today  
I've been seein' signs, tellin' me to stay away  
I'ma keep my distance, you probably ain't missin' it  
Replies been instant, cryin' like a victim  
I ain't feelin' sorry, babe you made your decisions  
Too long to say I miss you

Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey  
Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey

I ain't seen my momma in a month 'cause of you  
Dumb 'cause of you, don't give a fuck 'cause of you  
Blunt 'cause of you, paranoid blunts 'cause of you  
Reason that I'm done 'cause of you  
Finished with the [?] all the vision lost 'cause of you  
Provin' bitches wrong is a must 'cause of you  
Pressure make diamonds in the rough 'cause of you  
Wouldn't be me if it wasn't for you, bitch  
Hey, hey

I'ma get, I'ma get, I'ma get, I'ma get  
I'ma get, I'ma get, I'ma get, I'ma get

Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey  
Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and-

Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey  
Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth

Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey  
Hey, I'ma get a lil' drunk and tell you the truth  
Hey, I'ma get a lil' drunk and tell you the truth, hey
