

Sendin' out S.O.S.'s  
Lil' bitch done made me reckless  
I'm lookin' for the nearest exit  
She proud, she just one of my exes  
More money, more bitches stressin  
Got paid and I learned my lesson  
I don't answer no surface questions  
Stayed down, I deserve a blessing

How many, too many to count  
What's a yacht in the middle of a drought  
Quiet time is a little too loud  
And this - won't fit in your mouth  
These hoes tryna control what I speak  
If you know me, then you know I'm low-key  
What's your life like? This isn't IG
