

La La Like It

Amna

You like the light that I see
You might la like me
La la la like you
I want your love baby
I not sure if I should
But I'm in the mood
To hold you in my arms
Cause it feel so good

My heart is beating
For youuuuuuu
I would jump for my climb to show you...true
I like the way that you moooove
The way that you dance like a ... on this groove

Hey baby
Do you la la like it?
And see how work it
La la la la la la la la like it
Do you la la la la like it?
And see how shake it
La la la la la la la la like it

You make me feel that I fly
And I don't know why
But when I'm not with you I just feel that I die
And it drives me met
Can't get you out of my head
I always be next to you it's what you said

My heart is beating
For youuuuuuu
I would jump for my climb to show you...true
I like the way that you moooove
The way that you dance like a ... on this groove

Hey baby
Do you la la like it?
And see how work it
La la la la la la la la like it
Do you la la la la like it?
And see how shake it
La la la la la la la la like it

My heart is beating
For youuuuuuu
I like the way that you moooove

Hey baby
Do you la la like it?
And see how work it
La la la la la la la la like it
Do you la la la la like it?
And see how shake it
La la la la la la la la like it

Hey baby

Do you la la like it?
And see how work it
La la la la la la la la like it
Do you la la la la like it?
And see how shake it
La la la la la la la la like it
