Guardians of Asgaard

Amon Amarth

Standing firm against all odds Guarding the most sacred home We protect the realm of gods Our destiny is carved in stone

Three evil giants
Of the south
Are constantly on the attack

With lies and fire From their mouths But we always send them back

We are Brothers Of the north Who are sharing the all father's blood

Marching down the left hand path We are spawned by Asagods 'Cause we are!

We're the guardians Guardians of Asgaard Guardians Guardians of Asgaard Guardians Of Asgaard

We have faced our enemies A thousand times or even more

Still they cannot
Make us kneel
One thousand years of constant war
The giants look for
Any chance
To bring down Asgaard's mighty walls
No matter what they send at us
We will never let it fall
'Cause we are!

We're the guardians Guardians of Asgaard Guardians Guardians of Asgaard Guardians Of Asgaard

Standing firm
Against all odds
We are guarding
Asgård's mighty walls
We protect
The realm of Asagods
No matter
What they send at us
We will never

Let them fall

We're the guardians Guardians of Asgaard
