

Slaves of Fear

Amon Amarth

They speak of love and tolerance,
and thrive on people's ignorance
to make you all slaves of fear.

They feed on your anxiety,
to build their gent society,
They kept you down for a thousand years.

They nurture prejudice and hate
condemn the wars that they create
in the name of whatever god.

They gladly sacrifice your lives,
increasing power is their vice,
without regrets, they will spill your blood.

They're feeding you lies,
with calculated smiles,
Enslavement of the human mind
As long as you kneel to their authority.
Religion is what makes you blind

They're treating you as mindless fools,
they use you as obedient tools
It's time to set your spirit free
This world we can not tolerate,
it's time to seal all preachers fate,
and let them hang from Odin's tree!

Your minds are restrained
Obedience is the chain
They've locked you up and thrown away the key
Your souls are for sale,
And you're the ones who pay
But still, you'll never be set free

They're feeding you lies,
with calculated smiles,
Enslavement of the human mind
As long as you kneel to their authority.
Religion is what makes you blind.
