The Pursuit of Vikings

Amon Amarth

The warming sun returns again And melts away the snow The sea is freed from icy chains Winter is letting go

Standing on the ocean side We can hear the waves Calling us out with tide To sail into our fate

Oden! Guide our ships
Our axes, spears and swords
Guide us through storms that whip
And in brutal war

Our ships await us by the shore Time has come to leave Our country, family and homes For riches in the east

Some of us won't return
But that won't bring us down
Our fate is written in the web
Woven by the Norns

A ram is sacrificed Across the longship's bow And as we set our sails A strong breeze starts to blow

It carries us out to sea
With hope of fame and pride
And glorious all will be
That with sword in hand will die

Oden! Guide our ships
Our Axes, spears and swords
Guide us through storms that whip
And in brutal war

Oden! Guide our ships
Our axes, spears and swords
Guide us through storms that whip
And in brutal war
