## **Kitty Cat**

## Amon Tobin

Dirty dirty birds Eating dirty worms use your beak until you sing Dirty dirty songs.

Crawl upon the ground With your dirty claws tap your feet Like the rain Catch it 'fore it's gone!

Kitty kitty cat Where'd you get that? Let it be .... Peacefully. Feather for a hat.

You just made a sound That I've never heard before little things(questionable line) Hop around Out the back door
