

# Daughter of Hate

Amorphis

She spoke to me, approaching me  
On a road so dark and dreary  
Her black halo walked by me  
Disappearing so far behind  
She travelled not alone  
An old wife followed on her side  
And snakes crawled behind her steps  
And crows circled overhead

Time and again they come to me  
In the darkness of the night  
And the raven-haired girl  
Whispers her listless words

"Do not look at me  
I am the daughter of hate  
You must not see me  
Never touch my heart  
Never!"  
The words of raven-haired girl  
"Do not look at me  
'Cause I'm the daughter of hate"

Each morn I swear, each day I pledge  
Should we yet meet  
On the road of dream  
That we would look each other in the eye

Time and again they come to me  
In the darkness of the night  
And the raven-haired girl  
Whispers her listless words

"Do not look at me  
I am the daughter of hate  
You must not see me  
Never touch my heart  
Never!"  
The words of raven-haired girl  
"Do not look at me  
'Cause I'm the daughter of hate"

First come the ravens, swirling overhead  
Your words, the hiss of snake  
The old wife is ever silent  
Your words, the hiss of snake

Kun taivas taas on pimeä  
Ja tuuli tuo askelten äänet  
Odotan kuun alla  
Vaanin varjojen välissä  
Ensin tulivat korvit  
Kieppuivat kulkueen yllä  
Vanha vaimo on sanaton  
Sinun sanasi käärmeeen kuiskaus on

"Do not look at me

I am the daughter of hate  
You must not see me  
Never touch my heart  
Never!"  
Your words, the hiss of snake  
Whispered in my ear  
The sigh of the raven-haired girl

"Never!  
Do not look at me  
'Cause I'm the daughter of hate"
