

# Finally (Cannot Hide It)

Amorphous

Finally, it has happened to me  
Right in front of my face  
My feelings can't describe it  
Finally, it has happened to me  
Right in front of my face  
And I just cannot hide it

Waited for this moment  
It's so golden  
You can see it in the way we shine  
Oh yes, I do believe we're chosen  
Yes I know it, ah  
So I ain't gon' let you change my mind  
Oh no

Finally  
The words you used to try to hurt me  
Don't mean a thing anymore  
Finally  
There ain't no stressing, ain't no worries  
It's me I'm living for

Finally, it has happened to me  
Right in front of my face  
My feelings can't describe it  
Finally, it has happened to me  
Right in front of my face  
And I just cannot hide it  
(Finally)

Finally, it has happened to me  
Right in front of my face  
My feelings can't describe it  
Finally, it has happened to me (Finally)  
Right in front of my face  
And I just cannot hide it

Not gonna let y'all bother me  
Bitch I been poppin' shit from day  
Bitch I been had the drip like waves  
Bitch I done been the bitch okay  
Not gonna let y'all bother me

Don't mean a thing anymore
