

Seeing Ghosts

Amos Lee

In the garden
I woke up alone
Startled by the radio
I'm home in the shadows

I'm seeing ghosts
Everywhere
I'm seeing ghosts
In the light, they disappear
But I'm not scared
I'm seeing ghosts
I'm seeing ghosts
I'm seeing ghosts

I'm a slave
To the tidal wave been crashing down
Can't see the sounds that hold me near
But will I reappear?

I'm seeing ghosts
Everywhere
I'm seeing ghosts
In the light, they disappear
But I'm not scared
I'm seeing ghosts
I'm seeing ghosts
I'm seeing ghosts

From where you stand
From where you see me
Am I a mystery?
Part of your history?

I'm seeing ghosts
Everywhere
I'm seeing ghosts
In the light, they disappear
But I'm not scared
I'm seeing ghosts
I'm seeing ghosts
I'm seeing ghosts
I'm seeing ghosts
I'm seeing ghosts
