

# Shoulda Known Better

Amos Lee

She came to me like a dream  
Like nothing that I'd ever seen  
Lying awake here in the dark  
Trying to find out what to do with my heart  
Still coming down from the high  
I'm asking myself why I had to tell a lie  
Still coming down from the high  
I'm asking myself why I had to tell a lie

I shoulda known better not to stay the night  
I shoulda known better, I should go  
I shoulda known better not to stay the night  
How was I supposed to let you go?  
I shoulda known better but I didn't I guess  
I shoulda known better but I got no regrets  
I shoulda known better but I didn't I guess  
I shoulda known better, known better

We both got considerations  
Other city situations  
Faraway conversations  
That might've led us to these deviations  
No, I won't regret a minute of it  
No, I won't regret a second of it  
No, I won't regret a minute of your lovin'  
No, your lovin' got me open

I shoulda known better not to stay the night  
I shoulda known better, I should go  
I shoulda known better not to stay the night  
How was I supposed to let you go?  
I shoulda known better but I didn't I guess  
I shoulda known better but I got no regrets  
I shoulda known better but I didn't I guess  
I shoulda known better, known better

But I stayed  
And I stayed so I could lay in your glow  
But I stayed  
Oh I stayed

I shoulda known better not to stay the night  
I shoulda known better, I should go  
I shoulda known better not to stay the night  
How was I supposed to let you go?  
I shoulda known better but I didn't I guess  
I shoulda known better but I got no regrets  
I shoulda known better but I didn't I guess

I shoulda known better, known better  
I shoulda known better not to stay the night  
I shoulda known better, I should go  
I shoulda known better not to stay the night  
I shoulda known better, known better

I shoulda known better not to stay the night  
I shoulda known better, I should go

I shoulda known better, known better  
I shoulda known better not to stay the night  
I shoulda known better, I should go  
I shoulda known better, known better
