

There I Go Again

Amos Lee

In my wonderment there you found me dreaming heaven sent
How'd you get me where I need you been
Don't you know that we're all immigrants?
Didn't you know?
There I go again
Smiling I'm born again
Smiling I'm whole again
Smiling
I ain't innocent
Oh I've paid my dues
And I've paid off my tenement
And I ain't here looking for no sentiment
I just want some Spring Time love
I just want some Baby-ment
There I go again
Smiling, I'm heaven sent
Smiling I'm whole again
Oh I'm smiling
So don't worry love
I ain't here looking for no hurried love
I just want a little taste of your tender love
All right
I just want a little bit of your touch
I ain't asking for much
There I go again
Smiling, I'm whole again
Smiling, I'm heaven sent
Smiling
Take on two days
Oh yeah
So before I split
Let me just get one more little hit
I promise that I just take a little bit
That's all I need baby
There I go again
Smiling I'm heaven sent
Smiling I'm, Elvis
I'm smiling
Man I'm smiling
Well I'm smiling
