

## Golden Ratio

Amplifier

some men would seek  
of all the treasures untold  
crave things that gleamed  
and all the riches and gold  
that a man could need  
more than money to choke on  
consumed by greed  
and a hungry man must feed

they'd hunt you  
down down down  
they'd hunt you down  
down down down  
they'd hunt you down  
so run  
just run

hey  
hey  
well ha fucking ha  
how did we end up here

some women who  
need opulence in this world  
whore themselves through  
for all the diamonds and pearls  
that a woman needs  
more than honour to choke on  
in word and deed  
to let their animal feed

they'd hunt you  
down down down  
they'd hunt you down  
down down down  
they'd hunt you down  
so run  
just run

hey  
hey  
well ha fucking ha  
where do we go from here  
well ha fucking ha yeah  
just where do we go from here?
